

HPS CONTRACT ANALYSIS TOOL

8/24

The Contract Analysis Tool (CAT) elevates your relationship with HPS from simply providing cost savings to giving you tools and reports to help you make the best decisions on how you develop and manage your budgets and programs.

WHAT'S THE ADVANTAGE

- CAT lets you see your real-time purchase history, how much you are spending per food category, and your spending per manufacturer.
- It provides a robust budgeting tool that may be used to track spend by location and project how menu and price changes will affect your bottom line.
- CAT includes an Item Add tool that allows you to submit product requests for consideration to stock at your local Gordon Food Service distribution center.

PRICING

- HPS Members have access to this exclusive Value-Added Tool for both Gordon Food Service and McKesson purchases through their Membership.

GETTING STARTED

- If you want to sign up for this service, go to hpscat.com. Questions about CAT? Ask your HPS representative or email cat@hpsgpo.com.

GENERATED REPORTS

HPS receives a daily invoice data feed from our distributor partners for each participating HPS Member. In fully transparent fashion, HPS CAT displays this detail to highlight cost saving opportunities through purchasing volume, rebates and incentives. Various reports are available at your fingertips to help make the best purchasing decisions for your program. Here are a few reports included:

- Item Commonality by Product Category or Item for Each Location
- Managed Order Guide Compliance
- Program Compliance
- Rebate Detail by location
- Top Items by Program and Distribution Center
- Top Items Purchased
- Top Off-Program Items Purchased
- Vendor Velocity by Date Range and Category
- Volume Discounts
- Year-over-Year Comparison by Category
